- A **success installment** will direct to this page. Please check the Store ID is same as the **SID** which show on the login credential provided by QFPay.
- **安裝成功**會出現此圖，請檢查Store ID是否跟錢方提供的商戶賬號設置表上的**SID**一致
- A **failure installment** will direct to this page. Please contact our merchant service.
- **安裝失敗**會出現此圖，請聯絡我們的商戶服務主任

## Path of Adding Payment Methods in Shopify Portal

### Shopify後台新增網關的路徑

- Login your Shopify portal. Go to **Settings** and then **Payments**.
- 登錄Shopify後台, 點擊**設定** 然後**付款**

## 啟用 Activate QFPay Secure Checkout 2.0

- Press *Add payment methods* in Additional payment methods column. Search **QFPay Secure Checkout 2.0** in Search by provider and then press **Active**
- 在其他付款方式中點選**新增付款方式**,在依供應商搜尋中搜尋**QFPay Secure Checkout 2.0**, 點擊**啟用**

# Choose Payments Applied from QFpay

## 鉤選已向錢方申請的支付方式

- Choose the payment(s) applied from QFPay, then press **Activate**
- 鉤選已向錢方申請的支付方式, 然後點**啟用**

Deactivate OLD Payment Gateway for Existing Merchant

現有商戶停用舊版本支付網關

## Existing Merchant - Remove OLD Checkout 現有商戶 - 移除舊版本網關

其他付款方式  
Shopify 核准的其中一間付款方式供應商提供的可用付款方式。

	啟用	PayPal
供應商 PayPal	狀態 未啟用	交易費用 0%

     +1	管理
供應商 QFPay Secure Checkout	狀態 啟用

     +1	管理
供應商 QFPay Secure Checkout 2.0	狀態 啟用

新增付款方式

Press Manage and deactivate it  
點擊管理，便可按下停用

### Deactivate QFPay Secure Checkout

If you deactivate QFPay Secure Checkout , it will be removed as a payment option from your checkout. Your existing orders will not be affected and can still be managed from the orders page.

Cancel

Deactivate QFPay Secure Checkout

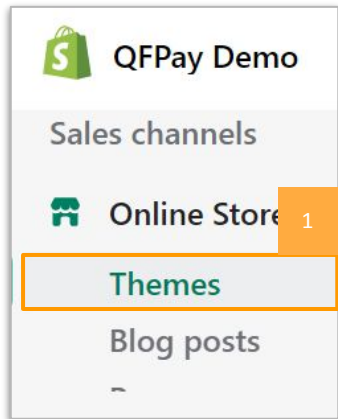

- Ensure QFPay Secure Checkout 2.0 is active and can make transaction successfully. You can remove the old one.
- 確保QFPay Secure Checkout 2.0已啟用並能成功收款，便可移除舊網關

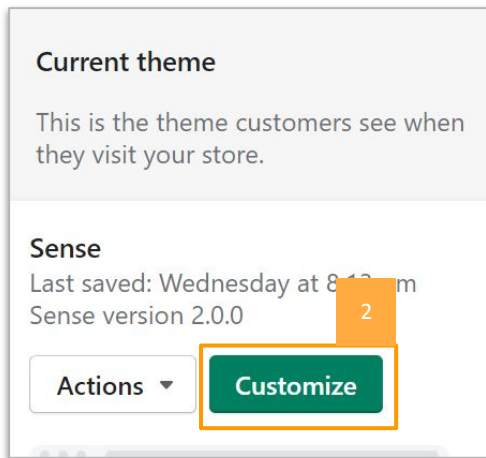

Display QFPay Payment Icons in your [Shopify Footer](#)

在Shopify頁尾展示錢方付款圖示

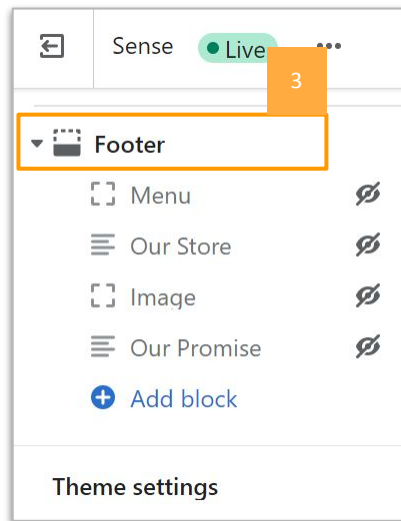

## Enable payment icons in your footer 在頁尾啟用付款圖示

1. Go to the theme editor
1. 前往佈景主題編輯器

2. Click Customize in current them
2. 在目前的佈景主題點擊自訂

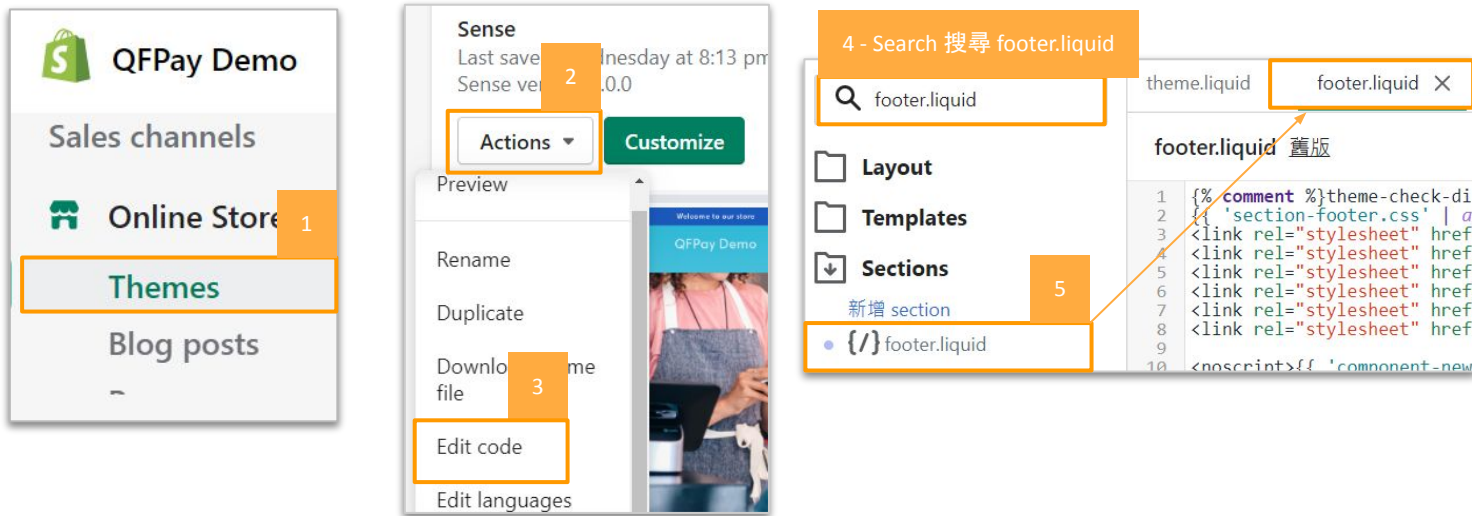

3. Click Footer
3. 點擊頁尾

4. Check the Show payment icons checkbox and Save
4. 勾選顯示付款圖示核取方塊，點擊儲存

# Find the Payment Icons' Code 尋找付款圖示程式碼

- Find the theme you want to edit, and then click **Actions > Edit code**.
- 找到要編輯的佈景主題，然後按一下 **操作 > 編輯代碼**。
- In the **Sections** directory, click **footer.liquid**. If your theme doesn't include this file, then click **theme.liquid** in the **Layout** directory.
- 在 **區段目錄** 中，搜尋 **footer.liquid**。如果您的佈景主題不包含此檔案，則可以在 **版面配置目錄** 中，點擊 **theme.liquid**

## Search the code for your payment icons

### 搜尋付款圖示的程式碼

footer.liquid • theme.liquid

footer.liquid Older versions

```
317     {% endif -%}  
318 </div>  
319 <div class="footer_column footer_column--info">  
320     {% if section.settings.payment_enable -%}  
321     <div class="footer_payment">  
322         <span class="visually-hidden">{{ 'sections.footer.payment' | t }}</span>  
323         <ul class="list_list-payment" role="list">  
324             {% for type in enabled_payment_types %}  
325             <li class="list-payment_item">  
326                 {{ type | payment_type_svg_tag: class: 'icon icon--full-color' }}
```

Search enabled\_payment\_types  
搜尋 enabled\_payment\_types

enabled\_payment\_types

{% for type in shop.enabled\_payment\_types %}

- Search the above code in the file by Ctrl+E, suggest to search by keyword **enabled\_payment\_types**
- 在檔案中按Ctrl+F, 搜尋上列程式碼, 建議輸入**enabled\_payment\_types**來搜尋

# Replace the code for your payment icons 取替付款圖示的程式碼

```
317 {%- endit -%}  
318 </div>  
319 <div class="footer_column footer_column--info">  
320 {%- if section.settings.payment_enable -%}  
321 <div class="footer_payment">  
322 <span class="visually-hidden">{{ 'sections.footer.payment' | t }}</span>  
323 <ul class="list list-payment" role="list">  
324 {%- for type in enabled_payment_types %}  
325 <li class="list-payment_item">  
326 {{ type | payment_type_svg_tag: class: 'icon icon--full-color' }}
```

Original Code  
原本的程式碼

enabled\_payment\_types

footer.liquid X theme.liquid

footer.liquid Older versions Delete file Save

```
319 <div class="footer_column footer_column--info">  
320 {%- if section.settings.payment_enable -%}  
321 <div class="footer_payment">  
322 <span class="visually-hidden">{{ 'sections.footer.payment' | t }}</span>  
323 <ul class="list list-payment" role="list">  
324 {%- assign enabled_payment_types = 'alipay_hk,alipay,wechatpay,fps,unionpay,payme' | remove: ' ' | split: ',' %}  
325 {%- for type in enabled_payment_types %}  
326 <li class="list-payment_item">  
327 {{ type | payment_type_svg_tag: class: 'icon icon--full-color' }}
```

Replace the original code by copying below new code  
複製下列的程式碼去取代原本的程式碼

```
{% assign enabled_payment_types = 'visa, master, american_express, jcb, apple_pay,  
google_pay,alipay_hk,alipay,wechatpay,fps,unionpay,payme' | remove: ' ' | split: ',' %}  
{% for type in enabled_payment_types %}
```

## Edit the code for your payment icons 編輯付款圖示的程式碼

Display based on the code order  
根據程式碼的排序來顯示

Click Save to Preview  
點儲存來預覽

```
{% assign enabled_payment_types = 'visa, master, american_express, jcb, apple_pay,  
google_pay, alipay_hk, alipay, wechatpay, fps, unionpay, payme' | remove: ' ' | split: ', ' %}  
{% for type in enabled_payment_types %}
```

- Code in red can be changed by need. Change the position of the icons by code order. Click Save when finished.
- 可按需要更改紅色字的圖示程式碼排序以更換圖示的位置，完成後點擊儲存

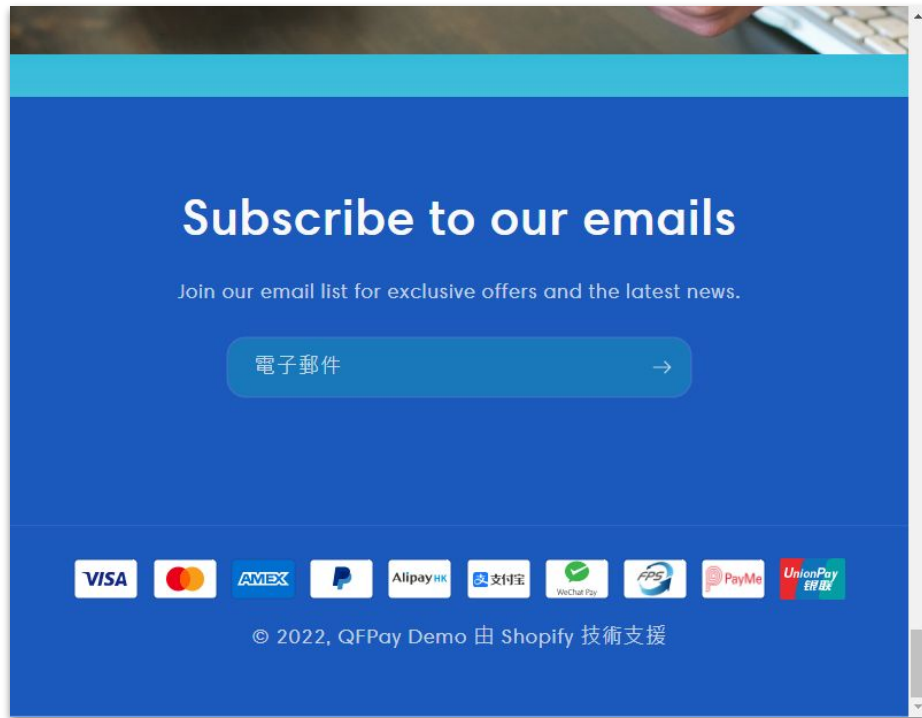

## Display Payment Icons in your Shopify Footer 在Shopify頁尾展示付款圖示

If you do not use a free theme from Shopify, and your theme doesn't include the option to enable payment icons in the footer, then this customization won't work for your theme.

如果您不是使用 Shopify 的免費佈景主題，且您的佈景主題不包含在頁尾啟用付款圖示的選項，則此自訂內容將不適用於您的佈景主題。

[Can follow Shopify's official SOP for reference](#)
